

BEST LASIK SURGEON

Alan M. Berg, M.D.

Special to Readers' Choice

Alan M. Berg, M.D., a Board Certified Ophthalmologist, Chief LASIK Surgeon and Medical Director of TLC for the Greater Los Angeles Area, has been a pioneer in refractive surgery for the last 25 years, beginning with Radial Keratotomy (RK). He now specializes in laser vision correction and also performs lens implant surgery, which is now FDA approved to correct myopia in patients who are not laser candidates. He chose to become an ophthalmologist "to help patients with their most important sense – their sight". Dr. Berg is a national consultant for AMO, Alcon and Allergan medical corporations, enabling him to share his expertise in ophthalmology with ophthalmologists all over the world. He has performed over 25,000 primary LASIK procedures.

Dr. Berg was honored as VISX Star Surgeon by VISX, the top refractive company in the world as one of the leading top 5% LASIK surgeons in the U.S.A. and has been featured on UPN (Channel 13) and American Health Journal News regarding advances in LASIK technologies. Dr. Berg has been selected as one of the "Best Doctors in America" for the periods of 2005-06 and 2007-08 (www.bestdoctors.com).

When he is not working, he enjoys spending time with his wife and two children.
